*A Doctor's Perspective*

Interview with Dr. Navneet Singh  
Pediatrician  
Kaiser Permanente at Homestead  
Santa Clara, CA

---

---

---

---

---

---

---

What is it like to work in a  
pediatric clinic?

---

---

---

---

---

---

---

What prompted you to start  
ROR at your clinic?

---

---

---

---

---

---

---

How do you fit the program in and how do you convince colleagues to participate?

---

---

---

---

---

---

---

---

What's the basic structure of the service provided through ROR?

---

---

---

---

---

---

---

---

What role does the library play in ROR?

---

---

---

---

---

---

---

---

What has it taken to develop the relationship between the clinic and the library?

---

---

---

---

---

---

---

---

Have you had to set up regular communication between the clinic and the library?

---

---

---

---

---

---

---

---

Are you able to refer some of your low-literacy families to the library?

---

---

---

---

---

---

---

---

What kinds of challenges have you encountered?

---

---

---

---

---

---

---

---

What have you learned from being involved with ROR?

---

---

---

---

---

---

---

---

What tips would you give to libraries considering a pediatrician partnership?

---

---

---

---

---

---

---

---

What are the target populations for ROR?

---

---

---

---

---

---

---

---

Why is it important to start reading with children at an early age?

---

---

---

---

---

---

---

---

How do parents react when you give a book to a child?

---

---

---

---

---

---

---

---

Do you have any other suggestions or comments?

---

---

---

---

---

---

---

What anecdotes can you share?

---

---

---

---

---

---

---
