**Help an Adult Learn to Read - Change a Life!  
(And It Just Might Be Yours!)**

Butte County Library's Literacy Services provides volunteer-based tutoring for adults wanting to improve their basic reading and writing skills. Pairs typically meet once or twice a week in their local library branch. By volunteering just 2-3 hours a week, you can make a huge difference!

Literacy Services invites you to attend tutor training offered Saturdays January 22<sup>nd</sup> and 29<sup>th</sup> at the Oroville Branch Library. Previous experience isn't necessary, but volunteers need to attend both sessions.

For more information, to register for the training, or if you know an adult in Butte County who is interested in working with a volunteer tutor, please contact Literacy Services at 1(888) 538-7198.
