

Dear Tutors and Learners:

Celebrate 40 years of Literacy at the State Library by participating in an exciting reading and writing challenge called Writer to Writer.

The 2024 Writer to Writer Challenge is a chance for learners to:

- ❖ share thoughts with others in writing
- ❖ relate what was read in a book/story or poem and tell how it connects to your own life
- ❖ become a writer yourself!

We hope that you will use the Writer to Writer Challenge as part of your regular tutoring as a way to promote reading for meaning and enjoyment, and to practice writing skills.

Using Writer to Writer is a terrific way to check off many of your SMART goals as well and it is easy as 1-2-3.

W2W = Easy as 1-2-3

- Learner/Tutor pick a Book and read or listen to it
- Learner writes a letter to the author on how the book has impacted them. Remember that this is not a book report!
- Programs collect entries and submit to POB (or by email)

For entry forms or Challenge rules, please check with your Literacy Office.
